2022 – another tough year

- Covid
- The first proper flu season since 2019
- Huge challenges with Primary care funding
- Staff shortages
- Data and Privacy
- Supply issues

THANK YOU

Technology trends in Primary care

- ❑ Severe lack of staff impacting patient registrations and forcing rationalisation
- ❑ Virtual consultations are a way of life (now)
- ❑ Arrival kiosks (even from the car!)
- ❑ Patient portals
- ❑ Mobile is Queen!
 - Payments
 - Recalls
 - SMS appointment reminders (and cancellations)

There are a few things we know you care about -

Freeing up time

Having choice
