Date: Thu, 22 Sep 2022, 6:21 AM

Have you registered to join us next month in Rotorua for this year's PMAANZ Conference?

We're offering plenty of learning, networking, information and experience sharing and updates from your peers. Our final programme is [HERE](#).

Over 45 companies are joining us as exhibitors.

Come and meet our favourite suppliers and check out what's new.

Saturday evening's gala dinner is included with full registration and this year is a celebration of our 25th conference. The theme is Hollywood glitz and glamour and you should be a part of it.

If you haven't already registered you can do so below. Accommodation is still available.

We'd love to see you in Rotorua next month.
